Higher levels of performance

Weight	Task	Best	Good	Needs improvement
10%	Teamwork	I helped my team list all the important science ideas from this chapter. I contributed helpful ideas as my team connected the science ideas to the images in the handouts.	I helped my team list important science ideas and connect them to the images, but sometimes I was not helpful or I distracted the team.	I did not contribute to the team in a helpful manner during this activity.
20%	Part I, review	I showed all the key concepts in the chapter by using 2 diagrams.	I showed most of the concepts of the chapter in the 2 diagrams.	I copied a few vocabulary words from the text onto the diagrams.
40%	Part II, the questions	I answered between 85% and 100% of the questions correctly.	I answered between 70% and 84% of the questions correctly.	I answered less than 70% of the questions correctly.
30%	Part III, LFM Protocol	I represented the questions I missed in an alternative way. I identified incorrect ideas. I showed in detail all the corrections I made. <i>or</i> I made 100% on my test.	I included detailed solutions to most of the questions I missed, but on some, I didn't show the problem in another way or didn't identify incorrect ideas I had.	I included detailed solutions to the questions I missed, but I didn't show the problem in another way or didn't identify incorrect ideas I had on any of them.
