

## **NextGen TIME Paperscreen Designed for the NGSS: Teacher Support Lead the Process**

### **Purpose:**

- To evaluate instructional materials for the purpose of gathering and analyzing evidence of quality to inform a selection decision and, if the program is selected, to inform professional learning to support their broad and effective implementation in the classroom.

**Anticipated time to complete Teacher Support review: Approximately 2 hours** (60 minutes to review rubric and review evidence, 20 minutes to identify strengths and limitations, and 40 minutes to score components)

### **Advance Preparation:**

- Prepare charts.
- Customize the Lead the Process PPT and use the instructions provided in the main PD leader guide to support the process. Note that “learning the process” is a truncated version of the full process required to lead the process.
